Project Details Form
Custom Website Design

What is this document?

This is a short design questionnaire that will give us more understanding of what type of website design you would like.

If you feel that a question is not relevant to you, please feel free to leave the answer blank.

When you have completed the form, please return it to us so that we can begin work on your design.

Zumada

Contact Information

Your Name:

Current URL (if any):

Company Name:

Email Address:

Description of Project

Enter a brief summary of what your website will be about:

What are the top three reasons why you currently have, or want to build a web site?

What sort of people do you want to visit your website?

What do you want the visitor to do when they arrive on your website?

Zumada™

Look and Feel

What color scheme/colors would you like us to use in your design? If you would like us to make it match your logo colors, please provide the URL to it or submit it to us with this form:

Please provide some examples of existing websites that have a similar "look and feel" to what you want:

What is it that you like about these websites?

Website Organization, Layout, Graphics and Features

Please list some examples of websites with navigation and layout similar to what you would like:

Do you have any images or logos that you want us to use in your design? If so, please provide the URLs:

Please list all the features that you would like to have on your website, as well as URLs to existing sites:

Please return this completed document to us via support ticket or email.

If you felt unable to tell us something important in this questionnaire, please feel free to send us supplementary notes as well.

Thank you
For choosing Zumada
